During the use of the climbing and bouldering area I assume the supervision for the following named children. I confirm the supervision of the children as a parent or another authorized person.

full name (child):

One supervisor can take care of a maximum of 4 children

full name (child):

full name (child):

full name (child):

I explained the risks that can come up by climbing and bouldering to the supervised children. Furthermore, I am aware that children up to the age of 14 may only boulder in the declared children's areas.

By signing this document, I confirm that I took note of the terms of use and that I agree to them. I am aware of the risks that can arise when climbing and bouldering.
